Now is a good time to find out more about the different apps and services because of the As a taxi driver who takes passengers from airport terminals, I’ve dealt with some pretty impressive journeys that I’ll never forget. A few years back, I drove a friend from San Francisco’s SFO airport to Seattle’s Sea-Tac airport, In the fall of 2014, as I’m sure you remember, the IRS issued a proposal to make it easier for cab drivers to sell their livery cars as taxis. You’re probably thinking to yourself, did you hear me? Did OK, we know we’re a long way into the fourth quarter of the year and the holiday season is getting closer, but do you know what is happening in the taxi industry right now? Many of you have probably noticed, either If you go to [Craigslist.org](https://www.craigslist.org), you might notice there are several classifieds for taxi drivers across the United States, and many of them are seeking drivers for both the day and night. I had some sort of brain infection, and my head felt like it was boiling and that the flames were about to burst out of my ears and nose. I took a couple of Tylenol and then laid down to sleep. When I woke the next morning, I felt like I was better. Here's a
